We Thank You All!

FROM THE SHOW MANAGERS

Welcome to our 'Fifth' Championship Show here at the Hutton Moor Leisure Centre.

A Huge 'Thank You' to ALL the Leisure Centre staff who always make us so welcome.

We are delighted to say that most of the different breeds are represented here today along with some of the newer ones, with another fantastic entry in the Household Pet section.

Please, and we know it's very tempting, but do not touch the cats as this can spread infection and try not to crowd our Judges or cats whilst Judging is still in progress. Thank You very much for your co-operation !

We would like to thank everyone who has supported us so well today, our Judges, Stewards, Vets, Stall Holders, Table Workers (No Table workers - No Show!), Committee - ever helpful, Helpers, Richardson Designs for the fabulous rosettes, M.F. Penning (Andy, Ian & team) for their usual excellent support & efficiency & anyone else who has helped in any way; every little job is important to the smooth running of the show!

A special Thank You to all our wonderful sponsors (named further in the Catalogue) who have helped make today extra special for our Exhibitors. (Not forgetting John who is also Hall Manager but also works so hard to bring in all the Sponsors in the first place - our very grateful thanks!)

Do please remember that everyone working here today, in whatever capacity, is an unpaid volunteer and here purely because they want to help ! If you have a problem/complaint, again, remember that this is a hobby and everyone is doing their best to ensure that the show runs smoothly for us all!

We are always very grateful for extra volunteers to help on show day !

We sincerely hope that you will enjoy your day & have fun with us - we hope to see you all on 15th January 2011 for our Sixth Championship here at Hutton Moor.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
