## SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with the schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. Copies of the Rules may be obtained for £2.00 from the GCCF Offices, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG.

## A MESSAGE TO VISITORS

We would like to welcome you to our Show and hope that you have an enjoyable day with us. In the interests of the comfort and well-being of the cats, we ask you to please observe the following guidelines:

1. Please do not touch the cats or put your fingers into their pens, this is one way in which infection could be passed from one cat to another.
2. Please speak quietly and do not allow children to run in the hall.
3. Please give priority to the Judges and do not discuss a cat which is being Judged.
4. No Smoking is allowed in any part of the Show Hall.
5. The West of England and South Wales Cat Club shall not be held responsible in any way for any loss, accident or damage, however caused, to any persons, cats, baskets etc., or in any other way.
6. Exhibitors are reminded that they are responsible for the cost of any Veterinary Treatment required by their cats in their absence from the Show Hall.

## VETERINARY

Any exhibit rejected by the Vet. Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Vet. Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show.

## THE VETERINARY SURGEON'S DECISION IS FINAL.

## VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Vet. Surgeon, the Show Managers shall obtain from the Vet the reasons and accordingly notify the GCCF within 48 hours of the Show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

- a. When sending your Clearance Certificate to the GCCF Vet. Officer, please include your copy of the rejection slip.
- b. Please DO NOT send certificates by Recorded Delivery as this can cause considerable delays in the receipt of certificates. If you wish an acknowledgement or receipt, please enclose a S.A. Postcard for signature of receipt.
- c. Exhibitors should not attend Shows until they have received a letter from the GCCF office confirming clearance. It is recommended that this letter be taken to shows within one month of issue.

## **PLEASE SUPPORT OUR RESEARCH PROJECTS**

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

These studies have provided the bases for more specific work within their fields. We have sufficient money to offer £50,000 to fund a fourth project and the Trustees are currently looking for a suitable subject to research. However, the money the Trust can offer for this project is barely sufficient to fund a two year Masters degree study and we will be seeking additional funding from other sources to enable the chosen project to be a PhD study.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

Registered Charity No. 800719  
Visit our web site at [www.catwelfaretrust.org](http://www.catwelfaretrust.org)

The status of the exhibit for entering restricted classes (i.e. Maiden, Limit etc.) shall be the cats' Status on the date of entry, except where Section 2, Rule 15e regarding entry into Grand Classes applies. The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter; the wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted Classes.

### **IMPERIAL GRAND CLASSES**

Your cat must have been awarded 5 Imperial Certificates from 5 different Judges to attain the title **IMPERIAL GRAND CHAMPION/PREMIER**. Reserve Certificates will be awarded. A Medal will be awarded from G.C.C.F. for those cats achieving the title.

### **CHAMPION & PREMIER TITLES**

The title of Champion for Cats and Premier for Neuters shall be granted to exhibits winning three Challenge Certificates at three shows, under three different Judges. A GCCF Challenge Certificate will be offered for each Cat/Neuter Open Class of recognised breeds with Championship status.

The title of Grand Champion for Cats and Grand Premier for Neuters shall be granted to a Champion or Premier winning three Grand Challenge Certificates at three shows, under three different Judges. The Grand Champion & Grand Premier Classes are Open Classes, and a Champion or Premier exhibit may enter both it's Breed Open Class and the 'Grand' Class.

### **ASSESSMENT CLASSES**

Cats, Kittens and Neuters of those breeds with Preliminary recognition must enter the appropriate Assessment Class, plus a minimum of three appropriate Miscellaneous Classes. # SKYLON

SKYLON, capable of mach 25, ten times faster than Concorde and Britain's best chance of glory in the development of Space planes for very fast global travel and low-Earth orbit missions to the fringe of space in the 21<sup>st</sup> century and beyond.

The awesome SKYLON Space plane will be capable of the journey from Heathrow to Sydney, or Melbourne, Australia, or Auckland, New Zealand, in just 45 minutes flying time – what a prospect for the 21<sup>st</sup> century.

With its powerful SABRE engines, which are a Hybrid Jet and Rocket engine, it will climb to 85,000 feet in less than 7 minutes, to the very edge of Space itself, where the sky is jet black and the stars stand out like jewels.

It would then bounce on the fringe of the atmosphere, like a stone does across water, until it is time to put the nose down for landing, making a powered descent.

A human pilot would not be able to think quickly enough to control it – so SKYLON will be piloted by computers.

At first SKYLON will be used for the fast delivery of mail – but after a few years of testing and proving it will be used to carry passengers as well and will then be about the same size that Concorde would have been.

SKYLON is being developed by Reaction Engines Ltd., based in Oxfordshire, and it has received Government funding.

It is due to fly in 2018 and become operational by 2020.

If all of this goes to plan – Britain will, rightly, lead the world once more in the Aerospace Industry.

All of this vindicates what we at CHARMEUSE & CATRONAUT Burmese have been saying about SKYLON – from at least 1995 its first showing at a Cat Show.

When it first appeared at the Supreme Cat Show – the Designer of SKYLON, Alan Bond, was invited to the Show.

He looked at it in awe and said “When I designed the Space plane SKYLON – I never, ever, thought it would, or could, be used at a Cat Show!”

He then said “The real SKYLON will have a mat black finish – I like your chrome silver finish – don't change it.”

**After showing the Spaceflight Extravaganza Special Displays for 26 years and the Big Pen for 24 years and the awesome Skylon Display for 16 years – it is time to stop. I am now in my Eighty-second year and cannot go on much longer. I collapsed on our trip to the 2009 Burmese Cat Club Show – and this is a warning which I am taking seriously. I shall still show our cats for a little longer – but, sadly, the showing of our unique, heavy, displays must come to an end. Thank you all for your concern - Goodbye and Good Luck to you all – do, please, remember these special and unique displays in the years to come – you will not see their like again, of that I am certain.**
