# **On behalf of the committee of the Chester and North Wales Cat Club**

**we would like to welcome you all to our 30th  
Championship show.**

We hope that you all have an enjoyable day with us here in Chester. We have been hoping the day is cool enough to be comfortable for both you and your beautiful cats and to this end we have had the air conditioning running all night. The Arena management has informed us that the exit doors in the hall cannot be opened for health and safety reasons and the air conditioning will also work better if they remain closed.

The café is open serving food and drink all day and the shops and cafes of Chester are a 10 minute walk away. In the afternoon there is a licensed bar upstairs. We hope these facilities add to your day.

We are delighted to be holding a Best in Show again this year. Mrs. Denny will select the overall Best in Show winner from the BOV winners this afternoon at about 3.30pm. We hope this is a thrilling end to the show!

We are very grateful to all our sponsors and traders for helping this show survive and prosper and especially to you our exhibitors for supporting us again- particularly this year in difficult times.

If you have any problems or issues then please contact a member of the show team and we will do our best to help. Please remember though that everyone helping is an unpaid volunteer. If you would like to offer to help then please step forward – we will be delighted to accept!

We wish you all a happy and successful show day, a safe journey home and we hope to welcome you all back again next year on 11<sup>th</sup> August 2012 for an Olympic themed show!

Best wishes

Chris and Peter

## **BEST IN SHOW PROCEDURE**

Best of Breed winners will be assessed by the BOV judge from each section at the pens and a BOV adult/kitten/neuter and overall BOV selected at the pens. The BOV winners are then transferred to BIS pens for assessment and selection of overall BIS.

## SHOW RULES, PROCEDURES AND REGULATIONS

The show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. A copy of these Rules is obtainable from the GCCF Office at 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Disqualify cats entered into the wrong classes by exhibitors.
- g) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- h) No other animals or pets will be allowed into the Show hall other than exhibiting Cats, Kittens and Neuters.

## GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form — then, when you receive registration details and number, check these against the entry form and notify the Show Manager(s) in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager(s) should attach your letter to your entry form which will save unnecessary notification of discrepancies when the show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager(s) whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager(s) for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and **both must sign**.

## NEW CLASS STRUCTURE

As of 1st June 2011, new rules for entering classes at shows now apply to all exhibits.

All exhibits must enter the class appropriate for the certificate level they are at.

Untitled exhibits enter the Breed Class and compete for a CC or PC. Cats with the Champion/Premier title will enter the Breed Class for Best of Breed only AND then the Champion/Premier Class to compete for that certificate.

Cats with the Grand Champion/Grand Premier title will enter the Breed Class for Best of Breed only AND then the Imperial Grand Champion/Imperial Grand Premier Class to compete for that certificate.

Cats already having attained the title of Imperial Grand Champion/Premier will enter the Breed Class for Best of Breed only and the Olympian Imperial Grand Champion/Premier Class to compete for that certificate.

## PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

The fourth project will be a study to be conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

## ON ARRIVAL AT THE SHOW

Exhibits will be received at the entrance of the show hall from 8.15 am until 9.45 am on the morning of the show. Exhibits must be brought to the show in boxes, baskets or suitable containers, accompanied by their owner/representative.

Each exhibit will be examined by the Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit. No exhibit may be penned before being examined. Vetting In Slips and exhibitors' passes will be issued at vetting in. **Tallies will not be issued at this show.**

All exhibits must have a current vaccination certificate against FIE, FVR & FCV (cat flu). The full course, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The certificate must have been issued by a vet practice/hospital & the last entry signed by a Vet. Surgeon or by a listed Vet. Nurse under the direction of a Vet. Surgeon. **Note that HOMEOPATHIC VACCINATION cannot be accepted.** You will be asked to produce a current vaccination certificate for each exhibit.

Exhibits must have clean ears and coats free from pests. No pregnant or lactating queen, nor queen who has kitted within 12 weeks of this show may be exhibited. No exhibit that has been declawed will be accepted, neither will male cats which are either monorchid or cryptorchid.

Unfit exhibits must be removed by their owners and payment forfeited. If in the Vet Surgeon's opinion it is desirable, all other exhibits from the same cattery/owner thereof shall be debarred from attending the show. **The Veterinary Surgeon's decision is final.**

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain the reasons and accordingly notify the GCCF within 72 hrs. of the show, ensuring that a copy of the rejection form is forwarded to the exhibitors concerned.

The procedure for veterinary clearance is clearly stated in the GCCF Show Rules. However, exhibitors whose cats have been rejected at shows should note the following points:

- a) When sending a Clearance Certificate to the GCCF Veterinary Officer, please include your copy of the rejection slip.
- b) Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed postcard for signature acknowledging receipt.
- c) Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

## PRESENTATION AND BENCHING OF EXHIBITS

Take pride in presenting your exhibit. Be sure it is comfortable, warm and relaxed. Exhibitors must provide each exhibit with clean, white blankets, (plain woven, not cellular, without distinctive edgings or markings) of reasonable size to lie on (white Vet-bed or like material may be used if preferred), a white food bowl and food, a white water bowl with fresh water and a white sanitary tray, with the exhibit's usual litter. All show equipment can be purchased at the show. Food containers must be removed from the pen before judging commences at 10.00 am and can be returned after 12.30 pm. Water must be left in the pen for the duration of the show. Hot water bottles or heat reflecting material are the only heating devices allowed and must be concealed by the blanket. None of the equipment in competition pens must bear any distinguishing marks.

No written or printed matter of any kind, other than official notices and award cards may be put onto competitive pens, except with the permission of the show managers. "For Sale" notices are not allowed.

The use of grooming aids in the show hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or grooming substance may be left in the coat of exhibits. Using products to enhance the colour of an exhibit is forbidden, and the use of any substance which change a cat's appearance or physical reaction is forbidden and will lead to disqualification, This includes Skulcap and Valerian Compounds and Rescue Remedy.

Exhibits received into the show hall cannot be removed, without the permission of the show managers, prior to the closure of the show. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won.

The show closes at 5.00 pm or earlier at the show managers' discretion. There will be no early removal passes issued.

## JUDGING AND JUDGES

Judging will commence at 10.00 am and exhibitors will be requested to clear the hall at this time until 12.30 pm, whilst the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

## CORRESPONDENCE

All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaint related to the Show must be forwarded to the Show Managers within seven days of the show. To prevent disappointment it is recommended that exhibitors enclose a stamped addressed postcard with their entries, to be returned as acknowledgement of receipt of entries.

## NOTICE OF CHANGE

An announcement in the official journal of the GCCF of any alterations or additions made to this schedule or in these regulations shall be deemed sufficient notice.

## SHOW WITHDRAWALS AND ALTERATIONS

**The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat/s concerned may not be withdrawn, regardless of the circumstances, from the show and the Rule about entering shows within 13 days will apply.** This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full. **There will be no refund of entry fees after closing date. Withdrawal/substitution requests must be received in writing before the closing date.** Corrections to your entry form can be made on show day up to the close of the show.

## INFORMATION FOR EXHIBITORS

Your attention is drawn to the following notes:

Ensure that vaccination certificates are **readily** available at vetting-in **to avoid delay**, are properly completed and clearly indicate the identity of both exhibit & owner to avoid confusion which may result in rejection from the show under Section A of the GCCF Code for Veterinary Inspection.

The use of any product (shampoos, grooming products, stress remedies, etc) which change the cats normal appearance or physical reaction are strictly prohibited under Section 4, Rule 14.

The use of toxic disinfectants, aerosols and sprays within the show hall is prohibited.

The club welcome advertisements but draw to the attention of exhibitors that advertising attendance at future events could lead to disqualification.

Owners are liable for the cost of any veterinary treatments carried out to their cat(s) during their absence from the show hall.

Top-opening carriers are recommended for use at cat shows.

Any cat which cannot be safely removed from its carrier on arrival will not be vetted-in.

Any cat which cannot be safely handled will not be judged for Best in Show.

Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

Cats registered on the Reference Register may not be shown in competition, unless they were registered before their breed had preliminary recognition and are now considered as if registered on the experimental register.

Queens who have kitted within 12 weeks of the show may not be shown.

Any person whose cats have been rejected under sections C & D must not officiate as a judge or a steward nor in any capacity which requires the handling of cats at shows until the GCCF clearance certificate has been obtained.

Cats should not be left in cars during the show.
