Welcome to our Annual Show

Thanks to all who have supported the Club by entering the show - we had a bumper entry once again and had to return some entries once we had filled the hall.

We welcome to the show once again, Mrs Dorte Kaae from Denmark. Dorte is a FIFe Judge of Persian, Exotic, Semi-longhair, Siamese and Orientals and is also the Vice Secretary of FIFe. We are delighted that she was able to judge for us again and this year she will have the task of deciding the Overall Best In Show exhibit.

We also welcome back Yvonne Kleijn from the Netherlands (although living in France now!) who is a specialist Siamese, Oriental, Rex and Sphynx Judge under NOK/IDP.

We have to give a huge thank you to Bob Towner (R&L Pet Products) who has once again dug deep into the coffers for the prizes for the various Best in Show awards and for the R&L Stakes. A very generous gesture indeed.

We should also like to thank both R&L, Purrsonal Touch and Breeder Celect (via Crystal Clear Pet Products) for the samples for exhibitorsand goodie bags for Best In Show.

We will be drawing the sweepstake at 2pm so listen out - you could be going home with a pocket full of cash!!!

Have a great day and remember - win or lose - you will be taking the best cat home with you tonight!

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivo-stomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

JUDGING AND JUDGES

Judging will commence at 10.00 am and exhibitors will be requested to clear the hall at this time until 12.30 pm, whilst the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

COUNTERSIGNATURES

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the show manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards Champion/Premier status. if the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judges can be regarded as a replacement judge for the purposes of requesting a countersignature.

SHOW WITHDRAWALS AND ALTERATIONS

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat/s concerned may not be withdrawn, regardless of the circumstances, from the show and the Rule about entering shows within 13 days will apply. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full. **There will be no refund of entry fees after closing date. Withdrawal/ substitution requests must be received in writing brefore the closing date.** Corrections to your entry form can be made on show day up to the close of the show.

INFORMATION FOR EXHIBITORS

Your attention is drawn to the following notes:

The use of any product, including shampoos, grooming products, or stress remedies which change the cats normal appearance or physical reaction are striclty prohibited under Section 4, Rule 22.

It is recommended that exhibitors clean the inside of their pen using disinfectant wipes. The use of toxic disinfectants, aerosols and sprays within the show hall is prohibited.

Owners are liable for the cost of any veterinary treatments carried out on their cat(s) during their absence from the show hall.

Any cat which cannot be safely handled may not be judged, will not be judged for Best in Show in accordance with Section 4, Rules 19a, 19b, 20.

The decisions of the judges are final. **Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge's engagement has been completed, may render the offender liable to disciplinary action** (see Section 4, Rule 26).

Cats/kittens should NOT be left in cars and that any such act which could be detrimental to the welfare of the cat(s) could result in disciplinary action.

Cats/kittens should not be offered for sale at shows and that any such act which could be detrimental to the welfare of the cat(s) could result in disciplinary action
