WELCOME TO THE NATIONAL CAT CLUB SHOW

The Committee have listened to the comments made in the past about people in the small hall not feeling part of the show, so we have taken the plunge and are just using the Main Hall this year.

This, of course, has had the knock on effect that we cannot have as many stalls, many Club's who wanted space have had to suffer because of the limited space. We can only but apologise to those Club & Trade stalls that we have had to turn away. We continue to look for a venue that will accommodate all.

Another change this year – we are still having our usual Christmas Rosettes for Olympians, Imperials, Grands & Opens/Breed classes, however, while there will be a limited number of Rosettes for side classes the rest will be in Prize Money only, we will see how this works.

You will need to take your Prize Card & Vetting-in Envelope to the Payout Table to collect your winnings.

Royal Canin, R & L Pet Products & Crystal Clear have, once again, been extremely generous with their gifts and the Committee would like to express their sincere thanks to these companies, in the current climate this is very much appreciated. National • at Club Members will each receive a 'For Life' Bag curtesy of R & L Pet Products.

We would like to thank ALL the team who work on the National, they don't need to be told what to do, they just do it automatically.

To Kopikatts, a big Thank You for all your help.

To the Judges, Stewards, Workers & most of all the Exhibitors and their beautiful felines, thank you All for your continued support

We wish you all a safe journey home and 'A Very Happy Christmas!'

SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset. TA6 4AG. See GCCF advert).

GENERAL NOTES FOR THE ATTENTION OF ALL

The Committee reserve to themselves the right to:

- a). Appoint other Judges should those advertised be unable to fulfil their engagement, and to appoint further Judges should they be required.
- b). Fix and limit the number of exhibits at the show.
- c). To accept or refuse exhibit entry without giving a reason.
- d). Cancel, amalgamate or divide classes.
- e). Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f). Retain a percentage of the Entry Fees to cover essential expenses in the event of the show being cancelled for any reason.
- g). Make an administration charge for any cheque returned unpaid by the bank. The exhibitors entry will be withdrawn from the show until such time as the Entry Fees plus an additional £10.00 administration charge are paid by that exhibitor. No further personal cheques will be accepted from that exhibitor.
- h). **Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Disqualification will result from incorrect class entry.**
- i). No other animals or pets will be allowed into the Show Hall other than exhibiting cats, kitten or neuters.

VETERINARY

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If, in the Veterinary Surgeons opinion, it is desirable, all other exhibits from the same household, and owner, shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

VETERINARY REJECTIONS

Exhibitors whose cats have been rejected at shows should note the following :

- a). When sending your clearance certificate to the GCCF Veterinary Officer please include your copy of the rejection slip.
- b). Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement is required please enclose a stamped addressed postcard for signature.
- c). Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer. It is recommended that you take this letter to shows entered within a month of issue of clearance letter.

JUDGING AND JUDGES

Judging will commence at 10.00 am and Exhibitors will be requested to clear the hall until 12.30pm, while the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate, in any class, if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

COUNTERSIGNATURES

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the Show Managers **prior to Judging**, that a certificate has previously been awarded by the replacement Judge, the Show Managers shall appoint one other Judge who shall Judge the cat, and if the cat is considered worthy, countersign the certificate which shall then count towards Champion/Premier status.

If the replacement Judge at the first show has also previously been booked for a subsequent show, the

closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this Judge can be regarded as a replacement Judge for the purpose of requesting a counter-signature.

Cat Welfare Trust

The Cat Fancy's own Charity. established 1988

Registered Charity No. 800719

cwt

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
