The Show Management and Committee welcome all exhibitors and visitors to the show today. Thank you for supporting us in these uncertain economic times.

We welcome back Mrs Iris Looockx from Belgium. Iris is an experienced Persian breeder and judges Persian, Exotic, British and Selkirk Rex, some of the Semi Longhair and Foreign group breeds and ,more recently, Siamese and Orientals.

We have a packed show for you today - we have some wonderful and generous sponsorship provided by R & L Pet Foods who seem to come up trumps for us each year. This means we can once again offer cash prizes for the Best of Variety winners plus a special prize for the Best Assessment exhibit and Non-Pedigree and Pedigree Pet exhibits.

Hill's Pet Nutrition have also kindly donated a sum of money to the show which we have pleasure in using to provide some fun classes in which everyone has an equal chance to win, whether you have a Grand Champion or always end up being 4th! Its all about personality and presentation!

We also thank Purrsonal Touch for the Goody bags and pen samples.

We have our Klaus Dessauer Memorial Class that have been well supported. Sadly, the Miranda von Kirchberg Memorial Classes have not had such a great entry, which is rather shame as all of the entry fees are donated to the Feline Advisory Bureau.

We have a great array of trade stands too - so please do browse and buy. The Thames suite is open all day so you can spend the time between 10.00 and 12.30 buying lots of goodies!

Our Sweepstake will be drawn at 2pm at the Secretary's table and the lucky winner will be taking more than £60 cash home with them tonight!

You'll also be pleased to know that Reading Football Club have very kindly arranged an away match today - which should ease your journey home!!!

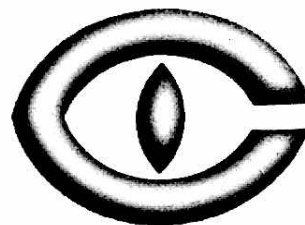

Have a great day, travel safely and come back again next year on 28th

SHOW RULES, PROCEDURES AND REGULATIONS

The show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. A copy of these Rules is obtainable from the GCCF Office at 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Disqualify cats entered into the wrong classes by exhibitors.
- g) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- h) No other animals or pets will be allowed into the Show hall other than exhibiting Cats, Kittens and Neuters.

VETERINARY PROCEDURES

Unfit exhibits must be removed by their owners and payment forfeited. If in the Vet Surgeon's opinion it is desirable, all other exhibits from the same cattery/owner thereof shall be debarred from attending the show. **The Veterinary Surgeon's decision is final.**

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain the reasons and accordingly notify the GCCF within 72 hrs. of the show, ensuring that a copy of the rejection form is forwarded to the exhibitors concerned.

The procedure for veterinary clearance is clearly stated in the GCCF Show Rules. However, exhibitors whose cats have been rejected at shows should note the following points:

- a) When sending a Clearance Certificate to the GCCF Veterinary Officer, please include your copy of the rejection slip.
- b) Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed postcard for signature acknowledging receipt.
- c) Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

Owners are responsible for the cost of any veterinary treatment administered by or at their request of the Duty Vet or by the on call Veterinary Surgeons whether administered in their absence or not.

JUDGING AND JUDGES

Judging will commence at 10.00 am and exhibitors will be requested to clear the hall at this time until 12.30 pm, whilst the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

CORRESPONDENCE

All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaint related to the Show must be forwarded to the Show Managers within seven days of the show. To prevent disappointment it is recommended that exhibitors enclose a stamped addressed postcard with their entries, to be returned as acknowledgement of receipt of entries. Corrections after closing date will incur an administration fee of £5.00.

NOTICE OF CHANGE

An announcement in the official journal of the GCCF of any alterations or additions made to this schedule or in these regulations shall be deemed sufficient notice.

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

The fourth project will be a study to be conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

PHOTOGRAPHY

Please note that this show has an "official photographer". No photographs of any exhibit shall be taken without the owner's permission and no flash photography without the Show Managers' permission. If your cat is removed from its pen to be photographed, please ensure that you place a notice to this effect on its pen during its absence to avoid undue distress. If your cat is not in its pen when required by a judge, it will be marked absent and no re-judging will take place.
