# WELCOME !

Welcome to the 36th Championship show of the Shorthaired Cat Society. This occasion cannot pass without saying what an honour it is to be trusted with this historic club's show. Celia's shoes will be hard to fill as she always put on a wonderful show, but I have done my best and hope I haven't let her down.

We have classes for Exotics and Siamese for the first time, and are once again joined by a variety of breed shows: the Asian Group Cat Society, The Korat Cat Association, The Rex Cat Association, The Singapura Cat Club and making their debut, The Sphynx Cat Association.

Many of you have once again taken the opportunity to enter two shows, good luck to you all ! Here's hoping someone goes home with 2 Imperials as they did last year.

Once again the weather made life difficult for us, very heavy snow hampered the delivery of entries to me for almost 2 weeks, but we got there in the end.

Thanks must go to my assistants Sue Amor and Judith Mercer who were there to do whatever I asked of them, and to Phil Goreham who has undertaken the computing work for this show, his patience and understanding has been very much appreciated.

Thanks to Bob Towner for offering to take care of the stalls, to all our judges, stewards, vets and the legion of table workers who work so hard to keep the results and the Best In Show build up flowing smoothly.

All that remains is for me to thank you all for bringing your lovely cats for everyone to admire and hope that you will give us the pleasure of your company next year, same time, same place.

Saturday 7th January 2012 !  
Stay safe and happy until then.

Feedback good or bad always welcome

**Please note our 2012 schedules will be available from the clubs websites about 12 weeks before the show. Should you require a hard copy please contact us in plenty of time and one will be posted out to you.**

## MEMORANDA

**Warning.** Breeders and owners are hereby warned by the Governing Council of the Cat Fancy and the Officials of the SHCS against the danger of selling whole litters to one buyer as unfortunate consequences may follow.

**Exhibitors** are responsible for the correct description of their cats and, in the event of any dispute arising after purchase shall, on proof of false or erroneous entry, receive back the exhibit and refund to the purchaser the full amount paid.

**Special Prizes.** It will be noticed that all Club Specials are confined to fully paid-up members unless otherwise stated.

The Committee will be most anxious for the care and safety of the exhibits and exhibitors, and it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of or damage to any cats, exhibitors or other property, whether arising from accident, or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servants or others.

Exhibitors are responsible for ensuring that no sharp-ended wires are left projecting into the cages and that any gaps affording escape to exhibits be closed before leaving the hall.

All cats and kittens are examined by the Veterinary Surgeon before admission to the Show but the Short-Haired Cat Society cannot hold themselves responsible for cats and kittens bought at the Show.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens. Only rosettes awarded by SHCS may be displayed. Exhibition pens are excluded from this ruling.

Any exhibitor, other than the owner, in any way interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her cat. No-one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this rule is £5.00.

Free litter trays are not provided. White litter trays of adequate size must be provided. White blankets (without markings) or Vetbed must be provided by the exhibitor. The use of polystyrene-filled cushions instead of blankets is forbidden, since such cushions do not comply with GCCF Show Rules.

All cats exhibited at Shows held under GCCF Rules must have a current vaccination certificate against FIE, FVR and FCV ('cat flu'). The full course, in accordance with the manufacturer's recommendations, must have been completed more than 7 days before the Show. The vaccination certificate must be issued by a veterinary practice/hospital and the last vaccination signed by a veterinary surgeon or by a listed veterinary nurse under the direction of a veterinary surgeon. The certificate must be available for inspection at vetting-in. Cats without acceptable certificates might be rejected. Cats showing a positive reaction to the Feline Leukaemia Virus or Feline Immunodeficiency Virus blood tests must not be shown. Please note that, for the purposes of vetting-in, homeopathic vaccinations are not acceptable to the GCCF.

Powdering of exhibits in the Show Hall is prohibited (GCCF Rule 13). Drapes are not allowed in pens for competition.

Coloured hot water bottles must be placed in white covers. Food and milk must be removed from the pens and a container with water must be placed in the pen before judging.

Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges in their stead.

The GCCF rules that no cat or kitten may be exhibited more than once within 13 days or entered in two shows a week apart.

Veterinary Surgeons appointed by Clubs to pass exhibits are instructed not to admit cats which are obviously in kitten, nor male cats which are either monorchids or cryptorchids. No nursing queen may be entered as an exhibit within 12 weeks of the date of kitting.

For full Rules and Regulations appertaining to Shows, apply to the GCCF, 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG.

Any complaint regarding the Show must be made in writing to the Show Manager within seven days of the Show.

The Khao Manee is one of the great natural Thai breeds, mentioned in the ancient Thai Book of Cat Poems. This is no manufactured breed. Like the Siamese, Burmese and Korat, these cats live naturally in Thailand.

Please visit the cats and speak to breeders Chrissy Russell and Tina Turner. We look forward to telling you all about these wonderful cats
