FROM THE SHOW MANAGERS

Welcome to our 'Tenth' Championship Show here at the Bradley Stoke Leisure Centre.

A Huge 'Thank You' to ALL the Leisure Centre staff who have made us so welcome.

We are delighted to say that most of the different breeds are represented here today along with some of the newer ones, with another fantastic entry in the Non-Pedigree section.

Please, and we know it's very tempting, but **do not touch the cats** as this can spread infection and try not to crowd our Judges or cats whilst Judging is still in progress. Thank You very much for your co-operation !

We would like to thank everyone who has supported us so well today, our Judges, Stewards, Vets, Stall Holders, Table Workers (No Table workers - No Show!), Committee - ever helpful, Helpers, Richardson Designs for the fabulous rosettes, M.F. Penning for their usual excellent support & efficiency & anyone else who has helped in any way; every little job is important to the smooth running of the show!

A special Thank You to all our wonderful sponsors (named further in the Catalogue) who have helped make today extra special for our Exhibitors. (Not forgetting John who is also Hall Manager but also works so hard to bring in all the Sponsors in the first place - our very grateful thanks!)

Do please remember that everyone working here today, in whatever capacity, is an unpaid volunteer and here purely because they want to help ! If you have a problem/complaint, again, remember that this is a hobby and everyone is doing their best to ensure that the show runs smoothly for us all!

We are always very grateful for extra volunteers to help on show day !

We sincerely hope that you will enjoy your day & have fun with us - we hope to see you all at our 11th Championship back at Thornbury.

Cat Welfare Trust

The Cat fancy's own Charity. established 1988

Registered Charity No. 800719

cwt

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
