JUDGING AND JUDGES

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards Champion/Premier status.

Cat Welfare Trust

The Cat Fancy's own Charity. established 1988

Registered Charity No. 800719

cwt

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ring-worm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

cats' status on the date of entry, except where Section 2, Rule 15e regarding entry into Grand Classes applies. The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter; the wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

CHANGES TO ENTRIES IN BOTH THE PEDIGREE AND HOUSEHOLD PET SECTIONS

Every cat will now be listed under its BREED class (Pedigrees) or COLOUR class (Household Pets) and you MUST show this class number on the Entry Form. All cats will be eligible for BOB or BOC (colour) in their Breed or Colour Class. It will then be judged in only ONE of the following

PEDIGREE:

BREED CLASS	cats that do not have a relevant title
GRAND CLASS	cats that are Champions (or Premiers for the Grand Premier Class)
IMPERIAL CLASS	cats that are Grands (or Grand premiers for the Imperial Premier Class)
OLYMPIAN CLASS	cats that are Imperials (or Imperial Grand Premiers for the Olympian Neuter Class)

Therefore a cat that is a Champion when neutered would start again in the BREED NEUTER CLASS and so on for each level. Any wins in Adult classes do not count once a cat has been neutered.

HOUSEHOLD PET:

COLOUR CLASS	cats that do not have a relevant title
GRAND CLASS	cats that have the title of Master Cat
IMPERIAL CLASS	cats that have the title of Grand Master Cat
OLYMPIAN CLASS	will be combined for both Non-Pedigree and Pedigree Pets and are for Any Colour and Any Coat Length. They will be split male and female. Imperial Grand Master Cats in either Pet Section may enter this class. The cats may also be considered for Best of Breed/Best of Colour in the appropriate class.

Pedigree and H.P. exhibitors should note that if a cat is entered in the WRONG class - because it has not attained the correct level - it may be disqualified and any certificate might be forfeit. The cat must have attained the relevant title by the official closing date of the show.
