SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with the schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. Copies of the Rules may be obtained for £2.00 from the GCCF Offices, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG.

A MESSAGE TO VISITORS

We would like to welcome you to our Show and hope that you have an enjoyable day with us. In the interests of the comfort and well-being of the cats, we ask you to please observe the following guidelines:

1. Please do not touch the cats or put your fingers into their pens, this is one way in which infection could be passed from one cat to another.
2. Please speak quietly and do not allow children to run in the hall.
3. Please give priority to the Judges and do not discuss a cat which is being Judged.
4. No Smoking is allowed in any part of the Show Hall.
5. The West of England and South Wales Cat Club shall not be held responsible in any way for any loss, accident or damage, however caused, to any persons, cats, baskets etc., or in any other way.
6. Exhibitors are reminded that they are responsible for the cost of any Veterinary Treatment required by their cats in their absence from the Show Hall.

VETERINARY

Any exhibit rejected by the Vet. Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Vet. Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show.

THE VETERINARY SURGEON'S DECISION IS FINAL.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Vet. Surgeon, the Show Managers shall obtain from the Vet the reasons and accordingly notify the GCCF within 48 hours of the Show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

- a. When sending your Clearance Certificate to the GCCF Vet. Officer, please include your copy of the rejection slip.
- b. Please DO NOT send certificates by Recorded Delivery as this can cause considerable delays in the receipt of certificates. If you wish an acknowledgement or receipt, please enclose a S.A. Postcard for signature of receipt.
- c. Exhibitors should not attend Shows until they have received a letter from the GCCF office confirming clearance. It is recommended that this letter be taken to shows within one month of issue.

Cat Welfare Trust

The Cat Fancy's own Charity, established 1988

Registered Charity No. 800719

cwt

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
