From The Show Managers

Well here we are back at The Link Centre for our 'Fifteenth' Championship Show'. Some of you will remember that we started here with our Sanction Shows.

As usual, we have a wonderful selection of cats in competition, although we are still down on previous years (sign of the times), and our sincere thanks go to all you Exhibitors for continuing to support us.

We would ask that you **DO NOT TOUCH THE CATS** – as this can spread infection and Please try not to crowd the Judges or cats when Judging is still in progress.

To all our JUDGES, STEWARDS, VETS, TABLE WORKERS, STALL HOLDERS, COMMITTEE AND VOLUNTEERS (arms twisted or not!) Thank you ALL very much for your help and Support – we couldn't do it without YOU!

Our thanks to Richardson Designs for, as usual, producing such stunning rosettes for us – and not forgetting M.F. Penning (we do try!) Andy, Ian & their team for their efficiency, helpfulness and also our 'Glowing Pens'.

A very big 'Thank You' to our wonderful Sponsors who, thanks to John, have once again, helped make our show very special – and we're sure that all our Exhibitors agree with us!

We look forward to our 16th Championship Show here at The Link Centre on 5th July 2014 and look forward to seeing you all again then. Do try and get your Entry in early – makes life so much easier for your poor overworked Show Managers.

Please do remember that everyone working here today, in whatever capacity, is unpaid and involved purely because of their love of cats

If the replacement Judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this Judge can be regarded as a replacement Judge for the purpose of requesting a counter-signature.

Cat Welfare Trust

The Cat Fancys' own Charity, established 1988

Registered Charity No. 800719

cwt

The Cat Welfare Trust is the Fancys' own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
