151 KOSKA FOREST LEGENDARY LEONIDAS (SIB a 24) M 08/03/14 Dr Ingrid Jolley.

The Governing Council of the Cat Fancy's Young Exhibitors' Scheme THE YES! PROGRAMME

YES! is an educational programme designed to encourage youth participation in the Cat Fancy. It is a structured programme for the growth and development of junior (8 – 16+) exhibitors within the GCCF. We hope to encourage young people to continue to enjoy their hobby as adults and so become the members, steward, judges and show managers of the future.

What is the scope of YES!?

The programme focuses upon responsible cat ownership and exhibition. Young exhibitors who join the scheme will be encouraged to progress from Novice to Advanced status through a series of structured activities, learning strategies and personal involvement.

The programme is designed to increase the candidate's knowledge of pedigree cats, their origins, body and head type, colours and patterns and their different coat qualities. The young people will develop their skills with regard to show preparation and grooming as well as the clerical aspects of entering cats into shows and recording results etc.
