## **A WARM YORKSHIRE WELCOME!!!**

On behalf of the Yorkshire County Cat Club it gives me the very greatest pleasure to welcome you to our 86<sup>th</sup> Championship Show.

My thanks go to my ever supportive committee, my hard working Assistant Show Managers Susan Thorpe and Jim Warrender and my long suffering Treasurer and section manager Stephen Bunce. Not forgetting our new section manger Neil Porter who took to it like a duck to water. Their help and support is invaluable to me.

We are again joined by The British Shorthair Cat Club (assistants Barbara & Stuart McEwan) and the North of Britain LH & Semi LH Cat Club (assistants Doreen Dobson and Ray Bradley) and so many exhibitors have the opportunity to dual enter. Special thanks to Eleanor Wexler and everyone involved in the Buddy scheme, which is such a help to those entering the sometimes bewildering world of cat shows for the first time. Good luck to everyone!!

Thanks to the Dome staff, to Bella Penning, Phil Goreham (our computer wiz) our stalls manager Bob Towner, Regent Denby rosettes and to Margaret Gibson, our amazing raffle lady who so charmingly separates you from your cash each year.

Thanks also to our Vets, Judges, Stewards, and the legion of helpers who work so hard to keep the results flowing smoothly.

The final thank you must go to you for bringing your lovely cats for everyone to admire. I hope you enjoy watching them compete to become '**Yorkshire Cats Of The Year 2014**'.

Do remember to be in the hall for our spectacular prize draw, which we aim to do at 3.30 prompt. The sound system has its limitations so please make sure you can hear us call the winning pen number for each section as we will announce it 3 times only before drawing another number. It would be a shame to miss the opportunity of going home with an extra £100.

I hope you enjoy your visit, seeing old friends and making new ones and that you will give us the pleasure of your company again next year; same time, same place. (**Saturday 24th October 2015**).

Schedules and entry forms will be available to download from our website about 12 weeks before the show. If you require a printed copy please contact me in plenty of time and one will be posted to you.

Stay safe and happy until then.

# **The Cat Welfare Trust**

## **PLEASE SUPPORT OUR RESEARCH PROJECTS**

The Cat Welfare Trust is the Cat Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats.

Currently the work of cat rescue is undertaken by GCCF-affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School.

The second - The Genome Project - was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map.

The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

The fourth project will be a study to be conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

## SHOW RULES AND REGULATIONS

This show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. Since the full Rules are not included in this catalogue, all exhibitors are reminded that they should read Section 4 of the Show Rules as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules.

Copies of the Rules may be obtained from the GCCF, 5 Kings Castle Business Park, The Drove, Bridgwater TA6 4AG

Exhibitors are responsible for the correct description of exhibits and for entering them in the correct classes. Obvious errors in the catalogue should be drawn to the Show Manager's attention during the day.

The Show Committee reserve to themselves the right to :

- (1) appoint other judges should those advertised be unable to fulfil their engagement and to appoint further judges if deemed necessary,
- (2) fix and limit the number of exhibits at the show and refuse entry without giving a reason,
- (3) cancel, amalgamate or divide classes,
- (4) publish a catalogue of the show containing information as to the exhibits and names and addresses of the exhibitors.

Judges are empowered to withhold any prizes or certificates in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's result slip only.

No-one may remove any exhibit from its pen, except the owner or a Club Official. Penalty for contravention of this Rule is £10.

### CHAMPION & PREMIER

The title of Champion for cats and Premier for neuters shall be granted to exhibits winning three challenge certificates or premier certificates at three shows under separate judges. A GCCF Challenge/Premier certificate will be offered for each cat/neuter Breed Class of the recognised breeds with Championship status.

### GRAND CHAMPION & GRAND PREMIER

The title of Grand Champion will be granted to a cat winning three Grand Challenge Certificates at three shows under three different Judges. To compete in the Champion of Champions Class a cat must be a full Champion on the date that the show closes. Only one prize with a Reserve in case of disqualification will be awarded. The title of Grand Premier shall be granted to neutered cats under the same rules and conditions as those for Grand Champion. The Champion of Champions Classes will be split into Male and Female.

### IMPERIAL GRAND CHAMPION & IMPERIAL GRAND PREMIER

The title of Imperial Grand Champion will be granted to a cat winning five Imperial Certificates at five shows under five different Judges. To compete in the Imperial Classes a cat must be a Grand Champion by the show's closing date. The title of Imperial Grand Premier will be awarded to neutered cats under the same rules as those for Imperial Grand Champion. These classes will be split into Male and Female.

### COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status. If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature. When a cat which has been awarded a certificate at the Supreme Show is entered under the same judge, for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

#### The Governing Council of the Cat Fancy's Young Exhibitors' Scheme THE YES! PROGRAMME

YES! is an educational programme designed to encourage youth participation in the Cat Fancy. It is a structured programme for the growth and development of junior (8 – 16+) exhibitors within the GCCF. We hope to encourage young people to continue to enjoy their hobby as adults and so become the members, steward, judges and show managers of the future.

What is the scope of YES!?

The programme focuses upon responsible cat ownership and exhibition. Young exhibitors who join the scheme will be encouraged to progress from Novice to Advanced status through a series of structured activities, learning strategies and personal involvement.

The programme is designed to increase the candidate's knowledge of pedigree cats, their origins, body and head type, colours and patterns and their different coat qualities. The young people will develop their skills with regard to show preparation and grooming as well as the clerical aspects of entering cats into shows and recording results etc.
