SHOW RULES AND REGULATIONS

The Show is held under licence and the Rules of the Governing Council of the Cat Fancy and is open to all. Exhibitors must ensure that they have a current copy of the GCCF Rules. Copies of the GCCF Rules are available from the GCCF Office, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. Ignorance of the Rules will not be accepted as an excuse for their breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- g) Refuse admission into the Show hall without giving a reason.
- h) Disqualify cats entered into wrong classes by exhibitors.

VETERINARY

Any exhibit rejected by a Veterinary Surgeon must be removed by its owners and entry fees are forfeit. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same household and owner s shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Manager shall obtain from the Vet the reasons and accordingly notify the GCCF within 48 hours of the Show, ensuring that a copy of the rejection form is given to the exhibitor concerned.

Exhibitors whose cats have been rejected at shows should note the following points:

- a) When sending a clearance certificate to the GCCF Veterinary Officer, please include your copy of the rejection slip.
- b) Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed postcard for signature of receipt.
- c) Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer. It is recommended that this letter be taken to Shows within one month of issue.

PENNING OF EXHIBITS

Every exhibit must be provided with a white sanitary tray and clean white or near-white blanket of blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets and sewn cat beds are not allowed, but white Vet-bed or like material may be used if preferred. A **hot water bottle** or **heat reflecting material** or a **cool pack** may be used provided they are covered by a blanket, in accordance with GCCF rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10am, and may not be returned until 12.30pm. One **small toy** may be placed in the pen after the time announced for the admission of the public. Judges are instructed to pass any pen that is distinguished in any way, other than official notices or award cards. No written material or printed matter may be placed on competitive pens – **For sale signs are NOT permitted (cats and/or kittens must not be sold at shows)**. Cat Welfare Trust

The Cat Fancy's own Charity, established 1988

Registered Charity No. 800719

cwt

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

loss or damage to exhibits, boxes or baskets or in any other way. **Please note** that it is the Exhibitors responsibility to ensure that their cat's pen is safe and secure before leaving the hall.

The Show closes at 5pm or earlier at the Show Manager's discretion. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit.

JUDGING AND JUDGES

Judging will commence at 10am, and exhibitors will be requested to clear the hall at this time until 12.30pm while the Breed classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

COUNTERSIGNATURES

In the event of a change of Judge of a Breed Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the show manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards Champion/Premier status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date for which is before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature.

GCCF TITLES

The title of Champion for Cats and Premier for Neuters will be granted to exhibits winning three Challenge Certificates at three shows, under three different Judges.

The title of Grand Champion for Cats and Grand Premier for Neuters will be granted to exhibits winning three Grand Challenge Certificates at three shows, under three different Judges.

The title of Imperial Grand Champion for Cats and Imperial Grand Premier for Neuters will be granted to exhibits winning five Imperial Grand Challenge Certificates at five shows, under five different Judges.

The title of Olympian Imperial Grand Champion for Cats and Olympian Imperial Grand Premier for Neuters will be granted to exhibits winning five Olympian Imperial Grand Challenge Certificates at five shows, under five different Judges. **Only one Olympian Certificate awarded at a Breed Show counts towards the Olympian title.** Awards will be given for Bronze/Silver/Gold, requiring 5 certificates to progress to each level.
