Welcome from The Coventry and Leicester Chairman

On behalf of the Committee, we would like to welcome exhibitors and visitors to this year's show.

Last year we had a great show; we were back to back with the Herts and Middlesex Cat Club and had a record number of entrances. And of course having two shows together gives everyone the chance to win 2 certificates. As we did last year, we would like to wish the exhibitors of our sister Club and Committee a warm welcome, and sincere wish that they enjoy their day too.

Those of you who attended our show last year, will be aware that our hall is now a lot bigger, allowing an even more varied and interesting array of stands for your perusal. We hope you'll find that special something either for yourself or your cats, unlike some shows, you are welcome to stay in the hall all day, though please respect the fact that judging is being carried out and keep your distance from the show pens in the morning.

We have a Restaurant and Café selling an array of quality (and where possible) locally sourced food.

Thank you to our Judges and Stewards, here's hoping you enjoy your day with wonderful cats and a good lunch. A huge thank you as well to the behind the scenes folk; the Show Team and Show Workers, without your help, the show would not be possible.

Last year we introduced Juanita Sharp as one of our new Assistant Show Managers, and like most tasks Juanita undertook, she took to the role with her usual aplomb, and was a huge asset to the show. Juanita sadly passed away towards the end of last year, and is much missed by everyone. Our sister Club are holding classes in her honour as she was a member of their committee, but we just wanted to mention our sorrow at her passing too.

We hope you enjoy your day and will join us again.

Lesley Szwed

Coventry and Leicester Chairman.

Ignorance will not be accepted as an excuse for a breach of the rules. (Copies of the Rules may be obtained from the GCCF Office, 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG).

VETERINARY

Exhibits will be received at the entrance of the Show hall from 7.30am until 9.30am on the morning of the Show. All exhibits must be brought to the Show in baskets or suitable containers (preferably top opening) and must be accompanied by the owner/s or their representative. Each exhibit will be examined by the Veterinary Surgeons, who are authorised to exclude an exhibit they consider unfit. No exhibit may be penned before being so examined. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner/s and the Entry Fees forfeit. If, in the Veterinary Surgeons, opinion, it is desirable, all other exhibits from the same household and owner/s shall be debarred from attending the Show. The Veterinary Surgeons decision is final. Cat Welfare Trust

The Cat fancy's own Charity, established 1988

Registered Charity No. 800719

cwt

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ring-worm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

JUDGES

Judges are empowered to withhold any prize in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip, not from any catalogue or prize card. A Judge's decision is final. Exhibitors may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete. Exhibitors may withdraw their exhibits from competition in any Open Class affected by changes in Judges and entry fees for such classes must then be refunded on demand. Penning fees are not repayable. Entries will not be accepted from Judges officiating at the Show.

EXHIBITORS

Vetting-in slips, exhibitor's passes, etc. will be handed to exhibitors at the Show Hall entrance. No written or printed matter other than official notices and award cards may be put on the competitive pens. Exhibition pens only may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received in the Show Hall cannot be removed without the written sanction of the Show Manager. Exhibits are received on condition that the Club shall not be held responsible in any way for any loss or damage to persons, cats, baskets or any other property, or in any other way.

JUDGES ARE INSTRUCTED TO PASS ANY PEN THAT IS DISTINGUISHED IN ANY WAY

Take pride in presenting your exhibit; be sure it is comfortable, warm and relaxed. Exhibitors should provide each exhibit with a white sanitary tray, white drinking bowl and a clean, plain white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-Bed or like material may be used if preferred. A hot water bottle, heat reflecting material or cool-pack may be used, provided they are covered by the blanket. A container of water must be left in the pen but food containers must be removed before judging commences at 10.00am and cannot be returned until 12.30pm. White equipment may be purchased at the Show. The use of grooming aids in the Show Hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or grooming substances may be left in the coat of exhibits. The use of shampoos that may change the colour of the cats coat can lead to disqualification. The use of any products, including Skullcap or Valerian, which change a cats normal appearance or physical reaction is forbidden at GCCF Shows and will lead to disqualification under Section 4, Rule 14.

No exhibit may be removed from its pen before the Show is closed by the Show Manager.

Failure to observe this Rule will result in disqualification of forfeiture or any awards or prize money. This Rule will be strictly enforced.

Any person (whether an Exhibitor or not) in any way interfering with or removing any exhibit from its pen during the Show, except with the consent of the Show Manager, will be reported to the GCCF and will forfeit any awards that may be due to their exhibit. Exhibitors are forbidden to carry their exhibits around the Show Hall and they must not be held in such a way as to annoy other exhibits. No one may remove any exhibit from its pen except the owner or a Club Official.

Please note that any Cat, Kitten or Neuter biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The exhibit will be withdrawn from the Show and the owner informed in writing, with a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information shall be given to the GCCF for consideration.

Photo © Carol Walker 2015

Syd as he's affectionately known, is owned by Lesley Szwed.

His dad is IGCh Whitcrest Hasani & his mum is Ch Accio Storm Child, so he has some fairly large paws to fill.

Syd has one more CC to get to become a GCCF Champion and 1 more final to make to be a TICA Grand Champion,

Syd can't be with us today as his mum is one of the Show Managers but he hopes everyone, Cats, Exhibitors, Judges and Visitors alike have a fabulous day and wishes everyone the very Best of Luck
