WELCOME TO THE BLACK & WHITE CAT CLUB SHOW

On behalf of the Black & White Cat Club, we would like to welcome you all to our 18th Championship Show.

We are once again at this wonderful venue, in the beautiful town of Cricklade. Sadly, we have a low entry of just forty-four cats today, which is well down on last year. We say a huge 'Thank-you' to all of you for taking the time to come and exhibit your fantastic Persians, Exotics, British Shorthairs, Selkirk Rex and wonderful Household Pets, without you there would be no show. Thank-you for your support.

Our thanks go to all the Committee for their support and help in the organising of this show.

A big 'Thank-you' to all our Judges, some have travelled a long way to be with us, also the stewards who do a wonderful job keeping our judges on their toes and handle the exhibits with great care.

To Ian, Andy and the team from MF Penning, thank-you for your efficient service, as always and for guiding us at this venue. Not forgetting the Auction which you run superbly. You are brilliant.

To all our helpers and tableworkers, thank-you for your hard work getting the results up in good time and ready for Best in Show. To Richardson rosettes thank-you for the wonderful rosettes, that many exhibitors will benefit from today. Also a huge thank-you to Royal Canin and other companies who have donated or sponsored our show in anyway.

We sincerely hope that you have enjoyed your day with us so please spread the word and come back and join us again at Cricklade Town Hall, next year on Saturday 12th. May 2018.

In the mean time we hope you have a wonderful year showing your cats.

Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies may be obtained from the GCCF Offices, 5, Kings Castle Business Park, The Drove, Bridgwater, Somerset. TA6. 4AG).

The Committee reserve the right to:

- (a) Appoint other judges should the advertised be unable to fulfil their engagements and to appoint further judges if deemed necessary.
- (b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Disqualify cats entered in the wrong classes by the exhibitor.
- (e) Refuse admission to the Show Hall without giving a reason.
- (f) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- (g) Publish a catalogue of the Show containing information as to the exhibits and names and addresses of exhibitors.

Exhibits received into the show hall are received on condition that the Society shall not be responsible for any loss or damage to exhibits, boxes or baskets or in any other way. The Show closes at 5pm or earlier at the Show Managers discretion. No cat may be removed without the permission of the Show Manager. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won. There will be no early removal passes issued. All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaint related to the Show must be forwarded to the Show Manager within seven days of the show.

VETERINARY

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Managers shall obtain from the vet, the reasons, and accordingly notify the GCCF within 48 hours of the Show, ensuring a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at shows please note the following points:

- (1) When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
- (2) Please **DO NOT** send these certificates by recorded delivery as this can cause considerable delays in receipt of your certificate. If you wish to satisfy yourself that your letter has reached the Veterinary Officer, please enclose a stamped addressed postcard for acknowledgement receipt, this will be signed and returned to you.
- (3) Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to shows within a month of the issue of the clearance letter.

JUDGES AND JUDGING

Judges are empowered to withhold any prize, award or certificate in any class, if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of judge of an Open class occurring after the closing date of the show, and provided that the exhibitor informs the Show Manager prior to judging that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall

Judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards Champion/Premier status.

Cat Welfare Trust

The Cat Fancy's own Charity. established 1988

Registered Charity No. 800719

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ring-worm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Halsey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
