HOUSEHOLD PET SECTION

All entries in this section which are over 6 months of age must be neutered. Non-Pedigrees are unregistered cats of traditional "moggie" appearance. Pedigree Pets are of known full- or half-pedigree background, registered or unregistered; or with pedigree appearance but of unknown background. Their pet names must be used without prefix or breed number. Cats of breeds not currently accepted by GCCF must not be entered in the Household Pet Section.

Cats entered in the Olympian, Imperial or Grand classes must have attained the relevant status on or before the closing date for entries to this show. These cats must be entered in the relevant Title class and not the Colour class; they will however be considered for the award of Best Of Colour by the Colour class judge. Colour classes are split Male/Female as entries dictate.
