## SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. All exhibitors are reminded that they should read Section 4 of the Show Rules as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 King's Castle, Business Park, The Drove, Bridgwater TA6 4AG)

## COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring AFTER THE CLOSING DATE OF THE SHOW, provided that the exhibitor informs the Show Manager **PRIOR TO JUDGING** that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat, and if the cat is considered worthy, countersign the certificate which shall then count towards Championship/Premiership status.

If the replacement judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purpose of requesting a countersignature. **IT IS YOUR RESPONSIBILITY TO ENSURE THE SHOW MANAGER IS AWARE OF ANY COUNTERSIGNATURES WHICH MAY BE REQUIRED, BEFORE THE START OF JUDGING.**

## NEW SHOW RULES

Exhibitors please note: errors in the details of your show entry appearing in the catalogue may now be corrected up to the end of the show **SO CHECK THE CATALOGUE CAREFULLY for any such errors and inform the Show Manager as soon as possible.**

## VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain from the vet the reasons, and accordingly notify the GCCF within 48 hours of the show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please **DO NOT** send these certificates by recorded delivery as this can cause delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer, please enclose a stamped, addressed postcard which will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance: it is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

## JUDGES

**Judging will commence at 10am.** Judges are empowered to withhold any prizes or certificates in any class if the exhibits do not, in their opinion, possess sufficient merit. Awards will be made from the judges slip, not from any catalogue or prize card.

**The Show closes at 5pm (or earlier at the Show Manager's discretion).** No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit.

# Cat Welfare Trust

**The Cat Fancy's own Charity, established 1988**

**Registered Charity No. 800719**

## cwt

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ring-worm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

The Show Manager must withdraw the cat from that show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee.
