## WELCOME TO THE SHOW

The Show Management and Committee welcome everyone to our 27th Championship Show.

Exhibits here today represent recognised Breeds of Cats. Some have been imported from Russia (topical subject as I write this). Exhibits are judged on GCCF Standard of Points with Awards for Kittens to the highest for Adults and Neuters: OLYMPIANS.

As this is our last Show at Wood Green I would like to extend our Thanks to everyone involved in arranging our Show for so many years. Not just for Eastern Counties but all of the Clubs who have held Shows here. Thank you to all Wood Green employees who have been excellent. From the men who have had the task of laying down the green carpet and removing after the Show. The Catering Staff (present and past) and everyone working behind the scenes.

Special Thanks to Chris Wood who has done so much , not just for me but for other Clubs. Also to Malcolm and Christine for providing the pens.  
You will be sadly missed.

Also, but not really connected with Wood Green I feel a mention of Thanks should go to everyone at The George Hotel , Huntingdon, for hospitality given to our Judges.

Exhibitors should be advised that Exhibits must not be removed from their pens until it has been announced that the Show has now closed. This could result in disqualification by GCCF and Awards forfeited

The Committee and I hope you will enjoy your day and have a safe journey home Thank you to everyone who has supported us today and previous years.

Please come to our next EASTERN COUNTIES SHOW which will be held on

**SATURDAY JULY 13<sup>TH</sup> 2019**

**AUDREY NEWSOME

For safety of exhibits and exhibitors we would ask you to observe the following points:-

- Please do not touch the exhibits
- Please do not smoke in the Show Hall
- Please do not approach Judges until judging has ended
- Please do not use mobile phones near the pens

**Please note unacceptable or aggressive behaviour toward any Judge, Steward or Show Officer will not be tolerated and could result in disqualification or disciplinary action by GCCF.**

## **MRS KAREN BENNETT**

It is with great sadness I have to report that Karen passed away on Saturday June 16th this year.

Her Funeral was held at The Waveney Crematorium (Nr Beccles) on July 3rd. Angela Howes, Linda Spendlove and myself attended as Officers of THE EASTERN COUNTIES CAT SOCIETY and Hannah Whatling an ECCS Member.

Karen had been a Member of our Club since July 19th 1989 and Vice Chairman from AGM 2012 until AGM 2018 when she resigned due to increasing ill health.

Karen passed away just 50 weeks after her beloved mother who had also been a Member some years ago and was a Table Worker at our very first Exemption Show at the TV Centre Norwich.

Rest in Peace. I will really miss our SPEEDWAY chats.

## DEFINITION OF CLASSES

- Breed Class: Open to all of the specified breed. (Must be GCCF Registered).
- Cats: Not less than 9 calendar months on the day of show.
- Kittens: Not less than 14 weeks and under 9 months on the day of the show. Since 1 June 2001, neuter kittens are entered in Kitten Open & Miscellaneous Classes and compete for BIS Kitten. Neuter kittens of Preliminary Breeds should be included in Kitten Assessment separate classes for adult, kitten and neuter are scheduled.
- Neuter Adults: Neuter adults may only enter Neuter Classes and may not compete with entire cats, except in Club Classes which are scheduled to include Neuters. Where BIS is held, the Best Neuter shall be considered against the Best Entire Adult and Kitten for Best Exhibit in Show.
- Gr Champion: Cats of Full Champion status only.
- Gr Premier: Neuters of full Premier status only.
- Imperial Gr: Cats or neuters of full Grand Champion/Premier status only.
- Debutante: Exhibits that have never been shown held under GCCF Rules. (If debutante Adult and Neuter classes are offered at a Show, entry as a Debutante Kitten does not count when the exhibit is shown as an Adult or Neuter and entry as a Debutante Adult or Kitten does not count when the exhibit is neutered and shown.)
- Breeders: Exhibits bred by exhibitor/s. Cats originally registered in the Breeder's joint ownership but change to single ownership of one of the Breeders can still be entered in this class. Cats originally registered in the Breeders single ownership and change to joint ownership with the Breeder should be entered in the Non-Breeders Class.
- Adolescent: Cats 9 – 15 calendar months.
- Junior: Cats over 9 calendar months and under 2 years on day of show.
- Senior: Cats 2 years and over on the day of show.
- Assessment: For Experimental Breeds only. Exhibits may also enter the appropriate Miscellaneous or Club Classes. Entries must include a Standard of Points which has been approved by GCCF.

The status of the exhibit for entering restricted classes (i.e. Maiden, Limit etc) shall be the cat's status on the date of entry except where Section 2 Rule 7e regarding entry into Grand Classes applies. The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter: the wins as an adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

## GENERAL GUIDELINES ON ENTERING SHOWS

Full Details of exhibiting at GCCF Shows are given in the GCCF Rules Section 4, available on the GCCF website under "About GCCF" and "Forms and Downloads" at [www.gccfcats.org](http://www.gccfcats.org) or can be purchased for a small charge post free by telephoning the GCCF Office. The Following provides some additional explanation.

Where possible, always complete your show entry form using details from your GCCF Registration Certificate for the cat that is to be exhibited. Please **print** the details carefully to avoid any misinterpretation of your handwriting. If the Registration Certificate you have does not show your name and address this means that the cat is not registered in your name and you must transfer the cat into your name no later than **\*\*10 days** before the show. Transfer can be done instantly using GCCF "**Online Services**" at [www.gccfcats.org](http://www.gccfcats.org).

If you have not received your Registration Certificate at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

It is recommended that you keep a copy of your entry form – then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the show catalogue, but the Show Manager should attach your letter to your entry form

# Cat Welfare Trust

**The Cat fancy's own Charity. established 1988**

**Registered Charity No. 800719**

## cwt

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ring-worm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day). Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated, or a change of exhibitor/owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry form, but joint owners of an exhibit should always use the same form and **\*\*at least one of the owners has signed the declaration.**

Exhibitors are reminded that the decisions of the judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge's engagement has been completed, may render the offender liable to disciplinary action.

### **IF THERE IS A MISTAKE ON YOUR ENTRY- WHAT TO EXPECT**

#### **Minor Errors**

Should a small error be made these will be resolved between Exhibitor, Show manager and/or GCCF. Persistent repetition may result in further action being taken.

#### **Incorrect Date of Birth**

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS: Kittens – not less than 14 weeks and under 9 calendar months on date of show  
Adults – not less than 9 calendar months on date of show

#### **Incorrect Name of Exhibit/Owner**

If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT	Totally incorrect name
OWNER/EXHIBITOR	Declaration not signed by <b>at least one of the</b> registered owner(s) N.B. The exhibitor(s) must be the registered owner(s) of the cat and <b>not</b> necessarily the person who actually takes the cat to the show.

#### **Registration/Transfer Not Received by the GCCF \*\*10 Days before the Date of the Show**

These entries will be disqualified. Remember, the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF.**

#### **Transfer of Exhibit from Exhibitor to a New Owner Received by the GCCF More Than \*\*10 Days before the Date of the Show**

Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

#### **Incorrect or Ineligibility of Class Entry**

These will be disqualified from the class concerned – so always check with the Show Manager if in doubt about which class to enter.

If a breed number is changed officially, it is important that you notify the Show Manager immediately.

Exhibits entered in the Grand, Imperial Grand or Olympian class must have qualified on or before the published closing date of the show **which will include any extension published on the GCCF Website** (amended 21.10.2015) and the title must have been claimed in writing by that date. Exhibitors who enter Grand, Imperial Grand or Olympian classes without claiming the title will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

### **Cats Registered on the Reference Register**

Most cats registered on this Reference Register (CSREF) are not eligible to be shown and, therefore, these entries could be disqualified. One exception to this is when a new breed becomes recognised, and then cats of the breed may be shown, even if they were originally registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the GCCF Board if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed at keeping your show entries trouble-free.

### **VETERINARY**

GCCF recommend the use of secure, top-opening cat carriers and if a cat cannot easily be removed from the carrier, it will not be vetted in/Judged (as in Best in Show).

N.B. This recommendation relates to the amendment to Section 4 Rule 6.

Exhibits will be received at the entrance of the Show hall from **7.30 a.m.** until **9.45 a.m.** on the morning of the show. Each exhibit will be examined by the clubs Hon. Veterinary Surgeons and no exhibit may be penned before being examined.

**Vetting-in envelopes** will be given out on the day of the show.

All exhibits must have a current Vaccination Certificate against FIE (Feline Infectious Enteritis), FVR & FCV (Cat Flu) the full course or booster, in accordance with manufacturers recommendations must have been completed more than 7 days before the Show and issued by a Vet. practice/hospital and signed by a Veterinary Surgeon or Vet. Nurse under the direction of a Vet. Surgeon. The certificate must clearly indicate the identity of the exhibit and the owner to avoid any confusion which may result in rejection from the show!

**Cats without valid certificates will be rejected under section A of the GCCF Rejection Form unless the Exhibitor undertakes to provide proof of vaccination, valid for the show, by sending the certificate to GCCF within 7 days of the Show – failure to do so will result in disqualification.**

**Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of Vetting-in – see**

**Section 4, Rule 4f.** Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If, in the Veterinary Surgeons opinion it is desirable, all exhibits from the same household and owner shall be debarred from attending the show. **The Veterinary Surgeons decision is Final.**

### **Section 5 VETERINARY SURGEONS rule 3.**

1. a) All cats exhibited at shows held under GCCF rules must have a current certificate of vaccination against Feline Calicivirus (FCV), Feline Herpes Virus (FHV) and Feline Panleukopenia \* (FPV).
2. The full primary course (first set of vaccinations) in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show.
3. b) Booster vaccinations against FCV, FHV and FPV must be given at the manufacturer's recommended intervals. Where a variable interval of 1-3 years for FCV and FHV is recommended the minimum interval applies. ie all cats attending shows **MUST** receive annual booster vaccination against FCV and FHV.

For Boosters only note: Exhibitors are advised to leave at least a week between a booster vaccination and show attendance to allow the vaccine to take effect and in case of any adverse reaction.

\* Previously termed Feline Infectious Enteritis

### **VETERINARY REJECTIONS**

Exhibitors whose cats have been rejected at shows should note the following :

- a. When sending your clearance certificate to the GCCF Veterinary Officer please include your copy of the rejection slip.
- b. Do not send certificates by recorded delivery as this can cause delays in receipt.  
If acknowledgement is required please enclose a stamped addressed postcard for signature.
- c. Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

**NEW RULES COM 1<sup>ST</sup> JANUARY 2017**

**Any cat which cannot be handled safely for examination will be rejected.**

**NB. Exhibitors must trim their cat's claws, if necessary, prior to the show.**

**Section 5: rule 4e**

- e. Cats which show obvious signs of lack of attention to hygiene, have sharp untrimmed claws, or in the opinion of the veterinary surgeons are in an unfit condition for show, must be rejected under Section A of the Veterinary Rejection form. Note: Exhibitors should be allowed the opportunity to trim claws prior to a rejection, but should not expect the veterinary surgeon to do this for them at vetting-in. (Amended 15.06.2016)
- 

**ADDITIONAL ADVICE/INFORMATION FOR EXHIBITORS**

- a. Show Hall has access for wheelchairs.
- b. A variety of refreshments will be available including breakfasts.
- c. Any person whose cats have been rejected under Section C or D must not officiate as a Judge or Steward or in any capacity which requires the handling of cats at Shows until a clearance certificate as required by GCCF has been obtained.
- d. In addition to the classes you have entered your cat may also be handled for the purpose of assessing candidates in the GCCF scheme.
- e. Veterinary treatment at Shows. Exhibitors are responsible for the cost of any treatment required by their cat(s) in their absence from the Show Hall.
- f. 'FOR SALE' notices may be displayed in the entrance hall but not on the pens.
- g. One Free Admission will be given as included in the Entry Fees but extra passes may be purchased with entries at 'prior to show day prices'.
- h. Battery fans may not be left unattended in the pens.
- i. The Show closes at 5.00pm (No Early Removals).
- j. All correspondence must be accompanied by SAE.
- k. Any complaint related to this show must be forwarded to the Show Manager within 7 days.
- l. Countersigning of Certificates. In the event of a Judge in an Open Class occurring after the closing date of the Show and providing that the exhibitor informs the Show Manager prior to the judging that the Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is worthy, countersign the Certificate which shall count towards Championship/Premiership status.
