

MEET THE CATS

The Cat Fancy is made up of many Cat Clubs. Some of these are "area clubs" for cat enthusiasts living in a particular area; these are usually all-breed clubs and often include non-pedigree pets amongst their "breeds". Others are "specialist breed clubs" which cater for a particular breed or group of breeds throughout the country. Many of these clubs have information stalls here today so that members can meet for a chat and potential members can gather information about the clubs and about the various breeds for which they cater.
