WELCOME

On behalf of the Show Management and Committee of The British Ragdoll Cat Club I would like to welcome all our exhibitors and their beautiful cats to our show. Without you all this show would not be possible. Special thanks have to go to the army of people who volunteer their time and skills in helping put this show together. We also wish to thank our sponsors, especially the people who have sponsored rosettes and members who have donated special gifts and prizes. We are a Committee that is always open to help and suggestions.

I hope you and your cats enjoy a relaxed and friendly day, with the promise of some beautiful rosettes and the joy of seeing our stunning Ragdoll breed in all its glory.

Throughout the day we will be running fun events/competitions. Here is the first competition – does your show catalogue have a gold star at the top of this page? If so, you are our lucky catalogue winner. You have won one free basic entry for your cat at our next show. Please take your catalogue to the Show Managers table for verification.

Finally, I hope you all have a safe and speedy journey back home and look forward to seeing you all at our next show. The Show Management and Committee will be working hard to ensure you can all leave as early as possible as we know that some of you have travelled a great distance to be here.

Margaret Lynch
Hon. Secretary
The British Ragdoll Cat Club

Cat Welfare Trust

The Cat fancy's own Charity. established 1988

Registered Charity No. 800719

cwt

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Member Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been completed so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The third - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination. Kitty's thesis summary can be seen on the GCCF website.

The current project is a study being conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
